Semi-Annual Index

Cement MILL SECTION of CONCRETE

Index, Vol. 25, July to December 1924

CONCRETE-CEMENT AGE PUBLISHING CO.
DETROIT, MICHIGAN

An illustrated article is indicated by an asterisk after the title

A

Accident Prevention—Cement Accident Rate Decreased....July 10
—Prevention—How 32 Lost Lives in Cement Industry....Sept. 49
—Prevention—Trophy Emphasizes Cement Mill Safety*....Aug. 29
Air-Nitrogen in Alumina Cement,by E. Lee Heidenreich....Oct. 81
Air Supply, Measurement of, to Rotary Kiln*, by Francis Linstead....July 11
Alumina Cement, Air-Nitrogen in, by E. Lee Heidenreich....Oct. 81
Anti-Dumping Decision Put Off....Aug. 28
—Duties, Special Sought on Imported Cement....July 14
—No Dumping of Portland Cement Found.Nov. 93
Anti-Trust Case Ends—Missouri Portland Cement Co....Aug. 33
—Case—Suit Filed in Missouri Against Atlas Portland Cement Co....Aug. 33
Anhydrite Studies....Nov. 93
Atlas Lumnite Cement Co....July 15
Atlas Portland Cement Co., Suit Filed in Missouri Against....Aug. 33

B

Bamber, H. K. G., Killed....Nov. 95
Bird, M. C.—The Cement Industry in South Africa*....Nov. 83
Blasting—L. O. X. Lifts 4500 Tons of Rock*, by F. W. O'Neil....Sept. 45
—Secondary Methods, by J. B. Stoneking, M. E....Sept. 47
Blyth, Charles E.; Martin, Geoffrey; Tongue, Harold—New Laws Govern Fine Grinding*....Sept. 42

C

California, Development of the Cement Business in Southern, by C. L. Carman....July 8
Cam, W. G. H.—Electric Power in the Cement Industry in Canada*....Dec. 105
Canada—Canadian Cement Prices Drop....July 14
—Demand for Canadian Lime Decreasing..July 15
—Electric Power in the Cement Industry in by W. G. H. Cam....Dec. 105
Carmen, C. L.—Development of the Cement Business in Southern California....July 8
Carmen, C. L.—Increasing a Cement Plant 250%*....Aug. 17
Cape Portland Cement Co., South Africa*, by M. C. Bird....Nov. 83
Cassidy, G. E.—Synchronous Motors for Cement Mill Drive....July 1
Cement Burning*, by Richard K. Meade....Aug. 20
—Discussion, by C. O. Sandstrom....Nov. 85
Centennial, Cement, Observed....Dec. 112
Centenary of Portland Cement....Oct. 51
Chee Hsin Cement Co., Ltd.—The Biggest Cement Works in China*, by M. H. Chou, M. S. ....Sept. 38
Chemistry—German Observations on Cement ....Nov. 95
—How Cement Hardens....Nov. 95
—Modern Quality Standards of Portland Cement in England....Nov. 94
—Portland Cement Research, by Thaddeus Merriman....Aug. 31
China—The Biggest Cement Works in*, by M. H. Chou, M. S....Sept. 38
Chou, M. H., M. S.—The Biggest Cement Works in China—Chee Hsin Cement Co., Ltd.—Green Island Cement Works—Tayeh Cement Works—Hwa Chi Hupeh Cement Works*....Sept. 38
Circuit Breaker, New Oil*....Nov. 98
Clinker Rings, Guns for Removing*....Dec. 110
Coal Mines, Materials for Rock Dusting....Nov. 90
Colorado Portland Cement Co. Erects New Silo Storage Bins*, by E. J. Strock....Sept. 35
Columbia Cement Co. Constructing Plant...Dec. 113
Cooler, Rotary, Patented....Dec. 113

D

Dust Collection—Electricity—Electric Purification of Gas*, by E. Lee Heidenreich....Dec. 107

E

Eckel, New Titan Cement Patented by....Nov. 91
Electricity—Electric Purification of Gas*, by E. Lee Heidenreich....Dec. 107
—Power in Cement Industry in Canada*, by W. G. H. Cam....Dec. 105
England, Modern Quality Standards of Portland Cement in....Nov. 94
—The English Lime Industry, by Major C. W. D. Rowe....July 7
Excess Air in Rotary Kilns, by Edwin Hayes Pentland....Nov. 92
Explosives—L. O. X. Lifts 4500 Tons of Rock*, by F. W. O Neil....Sept. 45
—Production of, Increases....Dec. 106
—Secondary Blasting Methods, by J. B. Stoneking, M. E....Sept. 47

F

Far East Construction Lags....Sept. 49
Fine Grinding, New Laws Govern*, by Charles Blyth, Geoffrey Martin, Harold Tongue....Sept. 42
Fineness Sample, An Unchanging....July 15
Fluorspar in the Cement Industry....Sept. 41
France—A New Cement Factory at Calais...Dec. 113
—Silica Cement Made in....Nov. 93
Freight Rates—Ohio-Tennessee Freight Rates ....Sept. 48

G

Germany—German Observations on Cement.Nov. 95
Golden State Plant—Increasing a Cement Plant 250%*, by C. L. Carman....Aug. 17
Green Islands Cement Works, China*, by M. H. Chou, M. S....Sept. 38
Gun for Removing Clinker Rings*....Dec. 110
Gypsum Mined and Shipped in 1923 ....Aug. 34

H

Heidenreich, E. Lee—Electric Purification of Gas* ....Dec. 107
—Air-Nitrogen in Alumina Cement....Oct. 81
Hwa Chi Hupeh Cement Works, China*, by M. H. Chou, M. S....Sept. 38

I

Industrial Conditions—Development of the Cement Business in Southern California, by C. L. Carman....July 8
—The English Lime Industry, by Major C. W. D. Rowe....July 7
—Far East Construction Lags....Sept. 49
—Russian Cement Industry Handicapped.Sept. 41
—Special Anti-Dumping Duties Sought on Imported Cement....July 14

K

Killig, Dr. Frans—The Automatic Shaft Kiln for Cement Burning*....Aug. 24
—The Oland Cement Co.'s Plant at Degerhamn* ....Oct. 71

L

Lehigh Portland Cement Co., New Wet Process Plant*....Oct. 53
Lesley, Robert W—Cement in 1923....Dec. 99
Lime, Demand for Canadian, Decreasing....July 15
—The English, Industry, by Major C. W. D. ....July 7
—in 1923....Dec. 111
—Plant Enlarged*....July 9
—Plant Opened in New Brunswick....Sept. 41
—New Hydrate, in Utah, by L. D. Roueche ....Sept. 50
Linstead, Francis Measurement of Air Supply to Rotary Kiln*....July 11
Liquid Oxygen—L. O. X. Lifts 4500 Tons of Rock*, by F. W. O'Neil....Sept. 45

M

Martin, Geoffrey, Charles E. Blyth, Harold Tongue—New Laws Govern Fine Grinding* ....Sept. 42
Meade, Richard K.—Cement Burning*....Aug. 20
Mechanical Equipment—The Automatic Shaft Kiln for Cement Burning*, by Dr. Frans Killig....Aug. 24
—Casing and Lubrication for Silent Chain Drives*, by Paul Wheeler....July 13
—Colorado Portland Cement Co. Erects New Silo Storage Bins*, by E. J. Strock....Sept. 35
—Electric Purification of Gas*, by E. Lee Heidenreich....Dec. 107
—Electricity—Electric Power in the Cement Industry in Canada*, by W. G. H. Cam.Dec. 105
—Gun for Removing Clinker Rings*....Dec. 110
—Increasing a Cement Plant 250%*, by C. L. Carman....Aug. 17
—Measurement of Air Supply to Rotary Kiln*, by Francis Linstead....July 11
—New Dry Process Plant Phoenix Portland Cement Co.*....Oct. 60
—The New Wet Process Plant of the Lehigh Portland Cement Co.*....Oct. 53
—The Oland Cement Co.'s Plant at Degerhamn, Sweden*, by Dr. Frans Killig....Oct. 71
—Pittsburgh Plate Glass Co. Operates New Cement Plant*....Oct. 66
—Rotary Cooler Patented....Dec. 113
—Ship Canal Portland Cement Co. Plant*.Oct. 77
—Some Notes on Waste Heat Boilers, by C. H. Sonntag....Nov. 88
—Synchronous Motors for Cement Mill Drive*, by G. E. Cassidy....July 1
Mechanical Engineers to Meet....Nov. 95
Merriman Thaddeus—Portland Cement....Aug. 31
Missouri Portland Cement Co. Anti-Trust Case Ends....Aug. 33
Motors, Synchronous, for Cement Mill Drive*, by G. E. Cassidy....July 1

N

New Brunswick, New Lime Plant Opened in.Sept. 41
New England Portland Cement Co. Progressing ....Dec. 113
Nielsen, Arthur Berg....Aug. 33

O

Oland Cement Co.'s Plant at Degerhamn, Sweden*, by Dr. Frans Killig....Oct. 71
O'Neil, F. W.—L. O. X. Lifts 4500 Tons of Rock* ....Sept. 45

P

Pentland, Edwin Hayes—Excess Air in Rotary Kilns....Nov. 92
Phoenix Portland Cement Co.'s New Dry Process

Plant*.....Oct. 60
hoenix Portland Cement Co. to Build New Orleans Plant.....Dec. 106
Pittsburgh Plate Glass Co. Operates New Cement Plant*.....Oct. 66
Portland Cement Association—Cement Centennial Observed.....Dec. 112
—Cement Association Meeting Draws Large Attendance.....July 15
Potash in 1923.....Aug. 34
Power Exposition.....Aug. 29
Pretoria Portland Cement Co., South Africa*, by M. C. Bird.....Nov. 83
Prices—Canada—Canadian Cement Prices Drop .....July 14
Production—August Cement Production Makes High Record.....Oct. 59
—Cement in 1923, by Robert W. Lesley...Dec. 99
—Cement and Shipments Increased in May .....July 10
—Cement Shipments in June Break Record* .....Aug. 30
—July Output Tops Record.....Sept. 44
—Portland Cement for September.....Nov. 93
—Portland Cement for October, 1924.....Dec. 111

R

Refractories, Plastic.....Nov. 91
Research—Modern Quality Standards of Portland Cement in England.....Nov. 94
—New Laws Govern Fine Grinding*, by Charles E. Blyth, Geoffrey Martin, Harold Tongue .....Sept. 42
—Portland Cement, by Thaddeus Merriman .....Aug. 31
Rotary Kilns, Excess Air in, by Edwin Hayes Pentland.....Nov. 92
—Measurement of Air Supply to*, by Francis Linstead.....July 11
Roueche, L. D.—New Hydrate Lime Plant in Utah .....Sept. 50
Rowe, Major C. W. D.—The English Lime Industry.....July 1
Russian Cement Industry Handicapped.....Sept. 41

S

Sandstrom, C. O.—Cement Burning—Discussion .....Nov. 85
Shaft Kiln, The Automatic, for Cement Burning*, by Dr. Frans Killig.....Aug. 24
Ship Canal Portland Cement Co. Plant*.....Oct. 77
Shippers Advisory Board Meets .....July 10
Signal Mountain Portland Cement Co. Plans Extension.....Dec. 113
Silent Chain Drives, Casing and Lubrication for*, by Paul Wheeler.....July 13
Silica Cement Made in France.....Nov. 93
Sonntag, C. H.—Some Notes on Waste Heat Boilers.....Nov. 88
South Africa, The Cement Industry in Pretoria*, Cape Portland Cement Co. by M. C. Bird .....Nov. 83
Steel Belt Conveyors—Oland Cement Plant at Degerhamn, Sweden*, by Dr. Frans Killig .....Oct. 71
Stoneking, J. B., M. E.—Secondary Blasting Methods.....Sept. 47
Strock, E. J.—Colorado Portland Cement Co. Erects New Silo Storage Bins*.....Sept. 35
Sweden, The Oland Cement Co.'s Plant at Degerhamn*, by Dr. Frans Killig.....Oct. 71

T

Tayeh Cement Works, China*, by M. H. Chou, M. S.....Sept. 38
Titan, New, Cement Patented by Eckel.....Nov. 91
Tongue, Harold, Geoffrey Martin, Charles E. Blyth —New Laws Govern Fine Grinding*. Sept. 42
Trade Associations, Development of, Analyzed .....Nov. 92
Traffic—Shippers Advisory Board Meets....July 10
Transformer, Spur Gear Speed*.....Nov. 98

U

U. S. Gypsum Co.—Lime Plant Enlarged*...July 9

V

Virginia Portland Cement Corp.....Aug. 30

W

Waste Heat Boilers, Some Notes on, by C. H. Sonntag.....Nov. 88
Wheeler, Paul—Casing and Lubrication for Silent Chain Drives*.....July 13
Worm Box, Double Thrust*.....Nov. 98
